The Gazetteers of British India
Provincial Series

Published simultaneously with the *Imperial Gazetteer* was the *Imperial Gazetteer of India: Provincial Series*. Unlike any of the other gazetteers, which were published in London either by Trübner or Wm. H. Allen, the *Provincial Series* was published in Calcutta by the Superintendent of Government Printing. There are nineteen volumes in this series, published in 1908-09. Each volume is devoted to at least one country, province or Indian state, and some include two.

This collection is also included in the collections *Gazetteers of British India, 1833-1962* and *Gazetteers of British India: Provincial Series*.
