## PART II

## OF THE CONSTRUCTION AND MAINTENANCE OF CANALS.

*Application of Water for purposes of Canals.*

Notification  
when water-  
supply to be  
applied for  
purposes of  
Canal.

5. Whenever it appears expedient to the '[Provincial Government]' that the water of any river or stream flowing in a natural channel, or of any lake or any other natural collection of still water, '[or any sub-soil water]', should be applied or used by '[the Provincial Government]' for the purposes of any existing or projected canal, the '[Provincial Government]' may, by notification in the '[Official Gazette]', declare that the said water will be so applied or used after a day to be named in the said notification, not being earlier than three months from the date thereof.

*Powers of Entry on Land, etc.*

Powers of  
Canal offi-  
cer for pur-  
pose of so  
applying  
water-supply.

6. At any time after the day so named, any Canal-officer duly empowered in this behalf may enter on any land, remove any obstruction, close any channel and do any other thing necessary for such application or use of the said water, and for such purpose may take with him, or depute or employ, such subordinates and other persons as he deems fit.

Entry for  
inquiry.

7. Whenever it shall be necessary to make any inquiry or examination in connection with a projected canal, or with the maintenance of an existing canal, any Canal-officer duly empowered in this behalf, and any person acting under the general or special order of any such Canal-officer, may:—

- (a) enter upon such land as he may think necessary for the purpose, and
- (b) exercise all powers and do all things in respect of such land as he might exercise and do if '[the Provincial Government]' had issued a notification under the provisions of section 4 of the 'Land Acquisition Act, 1870, to the effect that land in that locality is likely to be needed for a public purpose, and
- (c) set up and maintain water-gauges and do all other things necessary for the prosecution of such inquiry and examination.

1. Subs. by the A.O., 1937, for "G. in C.".

2. Subs. *ibid.* for "the Govt.".

3. Subs. *ibid.* for "B. G. G.".

4. For such a declaration see S.I.R. and O.

5. A. See now the Land Acquisition Act, 1894 (1 of 1894).

6. Inserted vide Govt. of W.P. Ord. No. XXXVIII of 1969 dated 22nd November, 1969.

8. Any Canal-officer duly empowered in this behalf, and any person acting under the general or special order of any such Canal-officers, may enter upon any land, building or water-course, on account of which any water-rate is chargeable, for the purpose of inspecting or regulating the use of the water supplied or of measuring the land irrigated thereby or chargeable with a water-rate, and of doing all things necessary for the proper regulation and management of the canal from which such water is supplied.

Powers to inspect and regulate water supply.

9. In case of any accident being apprehended or happening to a canal, any Canal-officer duly empowered in this behalf, and any person acting under the general or special order of any such Canal-officer, may enter upon any land adjacent to such canal, and may take trees and other materials, and execute all works which may be necessary for the purpose of preventing such accident or repairing any damage done.

Power to enter for repairs, and to prevent accidents.

10. When a Canal-officer or other person proposes, under the provisions of any of the three last preceding sections, to enter into any building or enclosed court or garden attached to a dwelling-house, not supplied with water from a canal, and not adjacent to a flood-embankment, he shall previously give to the occupier of such building, court or garden such reasonable notice as the urgency of the case may allow.

Notice to occupier of building, etc.

#### *Canal Crossings.*

11. Suitable means of crossing canals shall be provided at such place as the '[Provincial Government]' or '[any Commissioner]' if empowered by '[the Provincial Government]' in the behalf] thinks necessary for the reasonable convenience of the inhabitant of the adjacent land; and suitable bridges, culverts or other works shall be constructed to prevent the drainage of the adjacent land being obstructed by any canal.

Means of crossing canals to be provided and obstruction to drainage to be avoided.

#### *Removal of Obstructions to Drainage.*

12. Whenever it appears to the '[Provincial Government]' that injury to the public health, or public convenience, or to any canal or to any land for which irrigation from a canal is available, has arisen or may arise from the obstruction of any river, stream or natural drainage-course, the '[Provincial Government]' may, by notification published in the '[Official Gazette]', prohibit, within limits to

Provincial Government may prohibit formation of obstructions of rivers, etc., within certain limits.

1. Subs. by the A.O., 1937, for "G. in C."

2. Ins. by the Sind Repealing and Amending Act, 1910 (Sind I of 1910), S. 2, Sch. I, Pt. II Serial No. 11.

be defined in such notification, the formation of any such obstruction or may, within such limits, order the removal or other modification of such obstruction.

Thereupon so much of the said river, stream or natural drainage-channel, as is comprised within such limits, shall be held to be a drainage-work as defined in section 3.

Canal-officer may issue order to person causing obstruction.

13. Any Canal-officer duly empowered in this behalf may, after such publication, issue an order to any person causing or having control over any such obstruction to remove or modify the same within a time to be fixed in such order.

Canal-officer may cause obstruction to be removed.

14. If, within the time so fixed, such person does not comply with the order, the Canal-officer may cause the obstruction to be removed or modified; and if the person to whom the order was issued does not, when called upon, pay the expenses of such removal or modification, such expenses shall be recoverable by the Collector as an arrear of land-revenue.

#### *Construction of Drainage-works.*

When drainage-works are necessary, Provincial Government may order scheme to be carried out.

15. Whenever it appears to the '[Provincial Government] that any drainage-work is necessary for the public health or for the improvement of the proper cultivation or irrigation of any land, or that protection from floods or other accumulations of water, or from erosion by a river, is required for any land, the '[Provincial Government] may cause a scheme for such work to be drawn up and carried into execution,

and the person authorized by the '[Provincial Government] to draw up and execute such scheme may exercise in connection therewith the powers conferred on Canal Officers by sections 7, 8 and 9, and shall be liable to the obligations imposed upon Canal officers by sections 10 and 34.

### PART III

#### OF WATER-COURSES.

##### *Construction of new Water-courses.*

Construction of new water-courses by private arrangement.

16. Any person may, with the permission of a Canal-officer duly empowered to grant such permission, construct a new water-course if he has obtained the consent of the holder of the land required therefor.

Application for construction by Canal-officer of new water-course.

17. Any person desiring to construct a new water-course, but being unable or unwilling to construct it under a private arrangement with the holder of the land required for the same, may apply, in

1. Subs by the A.O., 1937, for "G. in C".

writing to any Canal-officer duly empowered to receive such applications, stating:—

- (1) that he is ready to defray all the expenses necessary for acquiring the land and constructing such water-course;
- (2) that he desires the said Canal-officer in his behalf and at his cost to do all things necessary for constructing such water-course.

18. If the Canal-officer considers the construction of such water-course expedient, he may call upon the applicant to deposit any part of the expense such officer may consider necessary, and upon such deposit being made, shall cause inquiry to be made into the most suitable alignment for the said water-course, and shall mark out the land which, in his opinion, it will be necessary to occupy for the construction thereof;

*Procedure when Canal-officer considers construction of water-course expedient.*

and shall forthwith publish a notification in every village through which the water-course is proposed to be taken, that so much of such land as is situated within such village has been so marked out,

and shall send a copy of such notification to the Collector of every district in which such land is situated, for publication on such land.

The said notification shall also call upon any person who wishes to share in the ownership of such water course to make his application in that respect to the Canal-officer within thirty days of the publication of such notification.

*Application by person on wishing to be joint owner.*

If any such applicant appears and his application is admitted he shall be liable to pay his share in the construction of such water-course, and in the cost of acquiring the land for the same, and shall be an owner of such water-course when constructed.

*If application admitted, applicant liable for share of cost.*

19. On receipt of copy of such notification, the Collector shall proceed to acquire such land under the provisions of the 'Land Acquisition Act, 1870, as if a declaration had been issued by '[the Provincial Government]' for the acquisition thereof under section 6 of that Act, and as if '[the Provincial Government]' had thereupon directed the Collector to take order for the acquisition of such land under section 7 of the said Act, and (if necessary) as if '[the Provincial Government]' had issued orders for summary possession being taken under section 17 of the said Act.

*Collector to acquire land.*

20. On being put in possession of the land, the Canal-officer shall construct the required water-course; and on its completion shall give to the owner notice thereof, and of any sum payable by

him on account of the cost of acquiring the land and constructing the water-course. On such notice being given, such sum shall be due from the owner to the Canal-officer. On receipt of payment in full of all expenses incurred, the Canal-officer shall make over possession of such water-course to such owner.

*Rights and Obligations of owners of Water-courses.*

Obligations  
of owner  
of water-  
courses.

21. Every owner of a water-course shall be bound:—

- (a) to construct and maintain all works necessary for the passage across such water course, of canals, water courses, drainage-channels and public roads existing at the time of its construction, and of the drainage intercepted by it, and for affording proper communications across it for the convenience of the occupants of neighbouring lands;
- (b) to maintain such water-course in a fit state of repair for the conveyance of water;
- (c) to allow the use of it to others or to admit other persons as joint owners thereof on such terms as may be prescribed under the provisions of section 23;

and every owner of a water-course and every person duly authorized under the provisions hereinafter contained to use a water-course shall be entitled:—

Rights of  
owners and  
users of  
water-courses

- (d) to have a supply of water by such water-course, at such rates and on such terms, as may from time to time be prescribed under section 44 and by the rules made by the '[Provincial Government]' under section 70.

Provided always that any owner of a water course and, subject to the terms of any agreement between the parties, or to any condition imposed under section 23, any such person as aforesaid may at any time, by giving three months' previous notice in writing in this behalf to a Canal-officer duly empowered to receive such notices, resign his interest in such water-course.

Arrangement  
with owner  
by other  
person

22. Any person desiring to have a supply of water through a water-course of which he is not an owner may make a private arrangement with the owner for permitting the conveyance of water thereby, or may apply to a Canal-officer duly empowered to receive such applications for authority to use such water-course or to be declared a joint owner thereof.

1. Subs. by the A.O., 1937, for "G. in C".

23. On receipt of any such application, the Canal-officer shall serve notice on the owners to show cause why such authority should not be granted, or such declaration should not be made, and, if no objection be raised, or if any objection be raised and be found insufficient or invalid, shall, subject to the approval of the Collector, either authorize the applicant to use the water-course, or declare him to be a joint owner thereof on such conditions as to the payment of compensation or rent or otherwise as may appear to him equitable.

Canal-officer after inquiry may authorize supply or declare applicant to be joint owner.

24. No land acquired under this Part for a water-course<sup>1</sup> [and no land occupied by a water-course constructed under section 92], shall be used for any other purpose without the previous consent of a Canal-officer duly empowered to grant such permission.

Use of land acquired for water course, for other purpose.

25. If any owner of a water-course fails to fulfil any obligation imposed upon him by clause (a) or (b) of section 21, any Canal-officer duly empowered in this behalf may require him by notice to execute the necessary work or repair within a period, to be prescribed in such notice, of not less than fifteen days, and, in the event of failure, may execute the same on his behalf, and, except as hereinafter provided in this section, all expenses incurred in the execution of such work or repair shall be sum due by such owner to [the Provincial Government].

If owner fails to execute work or to repair water-course, Canal-officer may execute same.

Every person other than an owner who uses any water-course in respect of which any repair has been executed by a Canal-officer under this section shall, in the absence of any agreement between the parties or of any condition imposed under section 23 at the time such person was authorized to use such water-course to the contrary, be liable to pay to [the Provincial Government] such proportion of the expenses incurred in the execution of such repairs as shall be determined by the said Canal-officer.

Persons using water course to pay share of expenses of repair.

#### *Settlement of Disputes concerning Water-courses*

26. Whenever a dispute arises between two or more persons in regard to their mutual rights or liabilities in respect of the use, construction or maintenance of a water-course, or among joint owners of a water-course, as to their respective shares of the expense of constructing or maintaining such water-course, or as to the amounts severally contributed by them towards such expense, or as to failure on the part of any owner to contribute his share, any person interested in the matter of such dispute may apply, in writing, to any Canal-officer duly empowered to receive such applications, stating the matter in dispute.

75. (1) A Second-class Irrigation Work shall be deemed to be a canal within the meaning of sub-section (1) of section 3 and to such work the following sections and Parts only shall, so far as may be, apply, namely:—

Sections 3, 4, 8, 9, 10, 11, 12, 13, 14, 16, 17, 18, 19, 20, 21, 22, 23, 24, 30, Part V, Part VIII, except sub-section (8) of section (8) of section 61, and Part IX.

(2) The aforesaid sections and Parts shall, for the purposes of this Part, be subject to the following modifications, namely:—

(i) In section 16 before the word “any” prefix the words—  
“Subject to any rights recorded in the Record-of-rights prepared or revised as hereinafter provided”.

(ii) In section 17 before the word “any” prefix the words  
“Subject as aforesaid”

(iii) In section 21 for clauses (d), the following shall be substituted, namely:—

“(d) To have a supply of water on such terms as may be prescribed in the Record-of-rights prepared or revised as hereinafter provided.”

(iv) To section 22 the following proviso shall be added namely:—

“Provided that no such private arrangement shall affect any rights to water recorded in the Record-of-rights prepared or revised as hereinafter provided.”

(v) In section 30 for the words “every agreement for” the words “all rights to” shall be substituted, and in the same section after the word “property” the words “which have been recorded in the Record-of-rights prepared or revised as hereinafter provided” shall be inserted. Paragraph 2 of the same section shall be omitted.

(vi) In Part V, section 31, proviso clause (c) and the last paragraph shall be omitted.

(vii) In Part V, section 34, the words “section 6, section 7” shall be omitted.

- (viii) In Part IX, section 67, after figures "48" the words "and" Part X" shall be inserted.

76. (1) As soon as possible after the expiry of the period fixed by the Collector under section 74, clause (c), a Canal-officer duly empowered in this behalf, who shall be a Revenue officer not below the rank of a '[Mukhtiarkar], shall inquire into and settle claims to any right in the Second-class Irrigation Work, and shall record the extent of such right and draw up in the form from time to time prescribed by the '[Provincial Government] and Irrigation Record-of-rights so far as the same may be ascertainable from the records of Government and the evidence of any person likely to be acquainted with the same and any other documentary or oral evidence which the parties concerned or their witnesses may produce.

Framing of  
Record-of-  
rights!

(2) Such Record-of-rights shall contain the following matters:—

- (a) the nature of the Second-class Irrigation Work and any work subsidiary thereto,
- (b) the lands irrigable therefrom,
- (c) the custom or rule of irrigation,
- (d) the rights to water and the conditions on which such rights are enjoyed, and
- (e) such other matters as the '[Provincial Government] may by rules prescribe in this behalf.

77. (1) For the purposes of the inquiries under section 76 such Canal-officer may enter, by himself or any officer authorised by him for the purpose, upon any land adjacent to any such work, and may survey, demarcate and make a map of the same.

Powers of  
Canal officer

(2) Notwithstanding anything contained in section 76 where no sufficient evidence is forthcoming as to all or any of the matters specified in that section such Canal-officer shall, far as may be, settle and record the aforesaid matters in such manner as he may deem fit.

1. Subs. for "mamlatdar" Sind Ordinance 5 of 1955, s. 13, read with W.P. Act. I of 1956 proviso to s. 3.

2. Subs. by the A.O., 1937, for "G. in C.".

**Revision of Record of rights.** 78. The Record-of-rights prepared under section 76 may be revised from time to time by a Canal-officer duly empowered in that behalf, who shall be a Revenue officer not below the rank of a 'Mukhtiarkar'.

**Commutation of rights.** 79. Where the Canal-officer who has prepared or revised any Record-of-rights under this Part finds that, having due regard to the maintenance or management of the Second-class Irrigation Work, any right contained in the Record-of-rights cannot continue to be exercised to the extent recorded, he shall (subject to such rules as the '[Provincial Government] may from time to time prescribe in this behalf), commute such right wholly or in part, either by the payment to the holder of such right of a sum of money in lieu thereof, or by the grant of land, or in such other manner as he may think fit; and he shall revise the Record-of-rights accordingly.

**Power of Provincial Government where works are undertaken increasing supply.** 80. In the event of '[the Provincial Government] undertaking at their own cost any work whereby the supply of water in any Second-class Irrigation Work is increased beyond the amount of such supply at the time of preparing or revising the Record-of-rights under this Part the '[Provincial Government] may, without prejudice to any rights so recorded, direct that the right to such surplus water shall vest in '[the Crown for the purposes of the Province] and shall be applied as '[the Provincial Government] may deem fit and the Record-of-rights shall be revised in accordance with such direction.

**Publication of Record of rights.** 81. When any Record-of-rights has been prepared or revised under this Part it shall be published in the language of the district at the 'Mukhtiarkar's] Office of the taluka in which the work is situated and in every town and village which in the opinion of the Collector is affected by such Record-of-rights.

**Entries in the Record of rights to be relevant as evidence.** 82. An entry in any Record of rights prepared or revised under this Part shall be relevant as evidence in any dispute as to the matters recorded, and shall be presumed to be true until the contrary is proved or a new entry is lawfully substituted therefor:

Provided that no such entry shall be so construed as to limit any of the powers conferred on the '[Provincial Government] by this Part.

1. Subs. for "Mamlatdar" and "Mamlatdar's" by Sind Ordinance 5 of 1955, s. 13, read with W.P. Act, I of 1956, proviso to s. 3.

2. Subs. by the A.O., 1937, for "G. in C.".

3. Subs. *ibid*, for "Govt.".

83. (1) In any suit or proceeding in which an entry made in any Record-of-rights prepared or revised under this Part is directly or indirectly called in question, the Court shall, before the final settlement of issues, give notice of the suit or proceeding to the Collector, and, if moved to do so by the Collector, shall make the '[Provincial Government] a party to the same.

Notice of  
suit to be  
given to the  
Collector.

(2) Save as provided in sub-section (1) no suit shall lie against '[the Provincial Government] in respect of anything done by the Collector, Canal-officer or any other person acting under the orders of '[the Provincial Government] in the exercise of any power by this Part conferred on such Collector, Canal-officer or other person or on '[the Provincial Government]

Suits against  
Provincial  
Government.

(3) Any suit or proceeding in which an entry made in any Record-of-rights prepared or revised under this Part is directly or indirectly called in question, the Court shall, before the final trial has not been set up as a defence) if it has not been instituted within one year from the date of the publication under section 81 of the Record-of-rights containing the said entry, or if one or more appeals have been made against any order of a Canal-officer with reference to any entry in such Record-of-rights, then from the date of any order passed by the final appellate authority, as determined according to this Part.

Period of  
limitation.

84. In every Second-class Irrigation Work the following repairs shall be performed by the persons on whom the obligation to perform them is imposed by the next following section, that is to say:—

Obligation  
to carry out  
petty repairs

(1) The filling up of gullies, ruts and holes, especially at the back of revetments, and all petty repairs of a like nature essential for the safety of bunds, of tanks, Channel banks or other portions of the said Second-class Irrigation Work.

(2) The prevention of the growth on such work of prickly pear, young trees and other vegetation endangering the safety or concealing the condition of such work.

(3) The preservation of such bushes and grasses as have been planted for the protection of the interior water slopes of such work.

(4) The clearance of silt from sluices, supply and distributing channels.

(5) The clearance of waste weirs and waste channels.

Incidence of obligation.

85. The obligation to perform the repairs prescribed by the last preceding section shall, with reference to any land irrigated from such work, be deemed to be imposed jointly and severally, in the case of unalienated land, on the occupants of the land, and, in the case of all other land, on the holders of the land, as defined in either case in the '[Sind] Land Revenue Code, 1879.

Sind  
V of  
1879.

Power to enforce rights and obligations.

86. If any person on whom any obligation is imposed with reference to any Second-class Irrigation Work by any of the provisions of this Part, fails to fulfil the obligation so imposed, or if any person infringes any right recorded in the Record-of-rights prepared or revised as hereinbefore provided, the Canal-officer may require him by notice to fulfil such obligation or to desist from infringing such right within a period to be prescribed in the notice of not less than fifteen days, and in the event of failure may take such steps as may be necessary for the discharge of the said obligation, or the enforcement of the said right, and the amount of any expense so incurred shall be a sum due to '[the Provincial Government]' and recoverable as an arrear of land revenue.

Duty of Tapedar to report failure to effect repairs.

87. It shall be the duty of the '[Tapedar]' of any village within the limits of which any Second-class Irrigation Work or portion of such work is situated to report to the '[Mukhtiarkar]' without unnecessary delay any failure or neglect to carry out any of the repairs specified in section 84.

Public servant and some other persons protected from legal proceedings.

88. No suit, prosecution or other legal proceeding shall be maintained against any public servant or person appointed under this Part in respect of anything in good faith done or purporting to be done under the provisions thereof or the rules made thereunder.

4. See foot note 1, p. 24 *ante*.

89. The '[Provincial Government]' may, from time to time by notification in the '[Official Gazette]' and after previous publication, make rules' as to all or any of the following matters:

- (i) the manner of framing and revising the Record-of-rights,
- (ii) the proceedings of any officer who under the provisions of this Part is required to take action in any matter,
- (iii) and generally to carry out the provisions of this Part.

#### ['PART XI]

#### SPECIAL PROVISIONS FOR CERTAIN LANDS IRRIGABLE BY THE LLOYD BARRAGE CANALS.

90. This Part shall apply, in the first instance, to lands irrigable by the Lloyd Barrage Canals only. The '[Provincial Government]' may, from time to time, by notification in the '[Official Gazette]', extend this Part to lands irrigable by such other canals in Sind as may, from time to time, be improved or re-modelled for the more efficient distribution of water therefrom:

\* \* \* \* \*

Provided\*\*\*\* that if and when this part is extended to such lands, the cost of reconstructing water-courses shall not be charged on lands watered within the 20 years immediately preceding the date of such notification by canals in lower Sind' outside the zone commanded by the Lloyd Barrage Canals.

91. (1) Whenever it appears to any Canal-Officer not inferior in rank to an Executive Engineer that it is expedient to change the source of water-supply of any land for the more efficient distribution of water, he shall serve a notice on the holder or holders of the land and, if he proposes to transfer the source of water-supply of the land to any existing water-course, on the owner or owners of such water-course also, calling upon them to state in writing their objections, if any, as to the source or alignment or construction of the proposed water-course.

1. Subs. by the A.O. 1937, for "G. in C."  
 2. Subs. *ibid.* for "B.C.C."  
 3. For rules and Notification See S.L.R. and O.  
 4. This heading and sections 90, 91, 92, and 93 ins. by Sind 14 of 1931, s. 4.  
 5. Now to be construed as referring to the Districts of Dadu, Hyderabad, Tharparkar, Upper Sind Frontier, Larkana, Nawabshah, Sanghar, Sukkur, Thatta, See W. P. Act. 16 of 1957 S. 3 (1) and Sch. I.  
 6. This first proviso and the Word "urther in the second proviso omitted by W. P. Act 16 957, s. 3 (2) and Sch. III.

(2) (i) If no objection is raised within thirty days from the date of service of the notice, the Canal-officer may change the source of water-supply of the land in such manner as he thinks expedient.

(ii) If any objections are received within the said period of thirty days, the Canal-officer shall give the holder or holders of the land and the owner or owners of the water-course a reasonable opportunity of being heard and may, if the said objection are settled, proceed to change the source of water-supply accordingly.

(iii) If no settlement in respect of the said objections be arrived at between the Canal-officer and the holder or holders of the land and the owner or owners of the water-course, the Canal-officer shall forthwith refer the matter to the Collector whose decision, subject to any orders that may be passed in revision by the Commissioner, shall be final and conclusive as regards the alignment and construction of the proposed water-course and shall not be called in question in any Civil Court.

\* \* \* \* \*

Construction of new water course and liability of land holders for payment of cost thereof.

92. (1) If \* \* \* it shall appear to any Canal-officer not inferior in rank to an Executive Engineer that new water-courses should be constructed for the irrigation of any land in place of any existing water-courses, for any existing sources of water supply it shall be lawful for him to construct such water-courses as he thinks necessary:

[Provided that before a Canal-officer constructs a water-course under the provisions of this sub-section, the provisions of the last preceding section relating to notice, objections, reference and revision shall, so far as may be, apply as if such water-course were a water-course to be constructed under the said section, and]

Provided [further] that if the holder or holders of such land agree to construct such \* \* \* water-courses at his or other own cost to the satisfaction of the Canal-officer within a specified period the said officer shall give the said holder or holders an option of so constructing the same.

(2) In the event of the holder or holders of any land failing to construct any [such] water course [under the option given to such holder or holders in the proviso to sub-section (1)] either to the satisfaction of the Canal-officer or within the period specified \* \* \* the Canal-officer may construct [or reconstruct the same in whole or in part] as he thinks necessary.

(3) The Canal-officer shall, on completion of any such water-course as is referred to in sub-section (1) or (2) give to the holder or holders of land concerned notice thereof, and shall make over possession of the water-course to the said holder or holders.

(4)<sup>1</sup>(a) It shall be competent to the Canal-officer to fix the boundaries of local areas which are irrigated by one canal system, and within which water-courses have been or are to be constructed in whole or in part under the provisions of sub-section (1) or (2), and to determine the cost or estimated cost, as the case may be, of such water-courses, and the sums to be recovered from all holders of lands irrigated or to be irrigated within such areas as their share of the cost thereof. The estimated cost of such water-courses to be constructed within a local area shall be determined by the Canal-officer on the basis of the actual cost of such water-courses constructed within the local area before the 30th day of September 1933.

Cost of construction of new water-courses in local areas.

*Explanation.*—For the purposes of this sub-section a canal system means a canal taking off direct from the river Indus, except in the case of the Nasrat Branch, Jamrao, Thar and Hiral Canals, each of which shall be deemed to be a canal system.

(b) When the Canal-officer has determined the cost of the construction of water-courses in any local area in accordance with the provisions of clause (a), he shall distribute such cost proportionately over the lands irrigated or to be irrigated and shall declare the amount payable on account of such cost in respect of the land constituting each survey number as defined in the [Sind] Land Revenue Code, 1879, and the amount so determined shall be deemed a charge upon such land and shall be payable in the manner hereafter provided, by the holder for the time being of such land [and the sub-division of any such survey numbers shall not affect the liability of the land constituting the survey number for the payment of the amount so determined and interest thereon]:

(1) Notwithstanding anything contained in section 92 it shall be lawful for the Provincial Government to direct the Canal Officer to revise, in accordance with the instructions issued by it in that behalf, the sum due under clause (c) of sub-section (4) of section 92 on account of the cost of the water-courses the construction or reconstruction of which was completed on or before the 1st day of February 1938, adding to it simple interest at the rate of 4½ per cent. per annum from the 1st day of February 1938 to the 1st day of February 1942, which latter date here-in-after in this section is referred to as ‘the said date’:

Revision of sum due under clause (c) of sub-section (4) of 92 and payment there of.

Provided that the instructions issued under this sub-section shall not be liable to be amended or added to after the said date.

(2) The Canal-Officer after revising the sum in accordance with the provisions of sub-section (1) shall give notice to the holder or holders of the land concerned of the sum so found due (herein

1. The explanation to sub-section (5) deleted by Sind 15 of 1933, s. 3(4)(b).

2. Sind Ordinance No: XVII of 1974 Notification dt. 22-10-1974.

3. This sub-section and explanation ins. by Sind 15 of 1933, s. 3(5).

4. Subs. by the A.O. 1937, for “Govt.”.

after in this section referred to as 'the said sum') with an intimation that—

- (a) the said sum shall be the sum payable in lieu of the sum specified in the notice issued under clause (c) of sub-section (4) of section 92 together with simple interest at the rate of  $4\frac{1}{2}$  per cent. per annum from the said date;
- (b) if any payment has been made before the said date, credit shall be given only for the amount of such payment and not for any interest on the amount of such payment;
- (c) if so desired by such holder or holders he or they shall be permitted to pay the said sum in twenty annual equated instalments commencing from the said date and carrying simple interest at the rate of  $4\frac{1}{2}$  per cent. per annum till payment. In such a case, only the amount paid before the said date, if any, without interest thereon shall be credited to the amount of the instalment or instalments, as the case may be, in the order in which the same is or are due. If default is made, in payment of any instalment, interest shall be payable on the amount of the instalment at the rate of  $6\frac{1}{2}$  per cent. per annum from the date on which the instalment fell due to the date of payment:

Provided that such holder or holders of land shall not by reason only of the fact that such notice has not been issued or served on him or them or that there has been any irregularity or mistake in the issue or service of such notice, be entitled to avoid his or their liability to pay the said sum or an instalment due or interest thereon as herein provided:

[Provided further that if the Provincial Government is satisfied that by reason of damage caused by a natural calamity to agricultural land or produced in the Province or any part thereof the payment of the sum which has become due or of the instalment which has become or is about to become due under this sub-section by such holder or holders of land should be postponed, it may, by notification in the *Official Gazette*, direct that the sum or the instalment, as the case may be, shall be paid on such later date as may be specified in such notification. Such order may also further direct, notwithstanding anything hereinbefore in this sub-section provided, that such sum or instalment may be paid without any interest or bearing interest at such rate, not exceeding  $4\frac{1}{2}$  per cent. per annum and for such period, as may be specified in such notification].

1. Subs. by Sind 11 of 1943, s. 2(a)(w.e.f. 1st February 1938).

(3) The provisions of sub-section (6) of section 92 shall apply *mutatis mutandis* to an order of the Canal-officer as to the revision under sub-section (1) of the sum due except that the order of the Collector shall be subject only to revision by the Commissioner and shall not be called into question on any ground whatever in any Civil Court.

(4) The Provincial Government may by notification in the *Official Gazette* extend the application of this section to any water-courses within the Lloyd Barrage Canals System other than those mentioned in sub-section (1) and the provisions of this section shall then apply to those water-courses with such consequential modifications as to the relevant dates and other respects, except as respects interest, as shall be specified in such notification.]

\*[92-B. If the sum due under sub-section (2) of section 92-A has been paid in full on or before the 31st day of December 1942, then, notwithstanding anything contained in clause (a) of the said sub-section, no interest shall be payable on such sum.]

93. The provisions of sections 91 and 92 [except the proviso to sub-section (1) of section 92] shall be deemed to have come into operation and to have had effect from the 1st June 1926:

Retrospec-  
tive opera-  
tion of  
section 91  
and 92.

Provided that any thing done by the Canal-officer under the said provisions between the 1st June 1926 and the date of the coming into operation of the '[Sind] Irrigation (Amendment) Act, 1931, shall not be invalid merely on the ground that any procedure laid down in the provisions has not been followed:

Provided further that no compensation shall be payable for the stoppage of the supply of water to any water-course or to any person who was entitled to such supply if such stoppage was due to any action of the Canal-officer changing or transferring the source of water-supply under the provision of section 91 during the period aforesaid.
